SEAN F. McAVOY, CLERK

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WASHINGTON

UNITED STATES OF AMERICA,

Plaintiff,

v.

JONATHAN MICHAEL ATKINSON
(1),

Defendant.

No. 4:25-CR-06012-MKD

STIPULATED PROTECTIVE
ORDER REGARDING COMPUTER
FORENSIC REVIEW PROCEDURES
FOR CHILD PORNOGRAPHY
CONTRABAND, AND ORDER
GRANTING MOTION TO
EXPEDITE

ECF Nos. 29, 30

Before the Court are the parties' Stipulation regarding Computer Forensic Review Procedures for Child Pornography Contraband, ECF No. 29, and the United States' Motion to Expedite, ECF No. 30. Given the nature of the allegations in this case, the parties stipulate to imposing privacy protection measures pursuant to 18 U.S.C. § 3509. *See* ECF No. 29-1. The Court has reviewed the motions and the record and is fully informed. The Court finds good cause to grant the stipulation and related motion to expedite.

Accordingly, **IT IS HEREBY ORDERED:**

1 1. The parties' Stipulation regarding Computer Forensic Review
2 Procedures for Child Pornography Contraband, **ECF No. 29**, is **GRANTED**.

3 2. The United States' Motion to Expedite, **ECF No. 30**, is **GRANTED**.

4 **IT IS FURTHER ORDERED:**

5 3. 18 U.S.C. § 3509(m) applies to this case, and the Court is required to
6 deny defense requests to copy, photograph, duplicate, or otherwise reproduce
7 material constituting child pornography if the United States makes the material
8 reasonably available to Defendant and provides an ample opportunity for the
9 defense to examine it at a government facility. *See* 18 U.S.C. § 3509(m).

10 4. In order to comply with 18 U.S.C. § 3509(m), and to allow Defendant
11 the greatest opportunity to prepare an effective defense in preparation for trial in
12 this matter, the United States will make a forensic copy or "image" of devices and
13 media containing alleged child pornography contraband at issue in the above-
14 referenced case. The United States will make full forensic images reasonably
15 available to Defendant and provide ample opportunity for the defense team to
16 examine them at a government facility in Spokane, Washington. The United States
17 will also work with counsel for Defendant to make reasonably available a working
18 copy of contraband material at the offices of Homeland Security Investigations in
19 Richland, Washington. The parties may readdress the Court if there is a need for
20

1 additional or after-hours access during the course of litigation in the event trial or
2 motion hearings require additional forensic review.

3 5. The defense forensic examination of the full forensic images in
4 Spokane may be conducted in an interview room monitored by closed-circuit
5 television (“CC-TV”), without audio feed. If so, the TV with non-audio feed will
6 ensure the integrity of government agency space and security of its occupants and
7 will not be of sufficient detail or at an angle that would reveal defense strategy.
8 The United States and its agents will make no attempt to record any audio from the
9 workstation and no attempt to observe the defense team’s work product or
10 computer monitor screen at any time. The defense expert may review the feed to
11 ensure that defense strategy is not being compromised at any time while
12 conducting the forensic review.

13 6. The defense team¹ shall not make, nor permit to be made, any copies
14 of the alleged child pornography contraband pursuant to this Protective Order, nor
15 will they remove any contraband images from the government facility. The
16 defense expert will be allowed to copy any file that is not contraband and compile
17

18 ¹ For purposes of this Protective Order, the term “defense team” refers solely to
19 Defendant’s counsel of record (“defense counsel”), Defendant’s designated expert
20 (“defense expert”), and a defense investigator.

1 a report (without contraband images/videos) documenting the examination on
2 removable media at the discretion of the defense expert.

3 7. Any defense counsel and/or designated defense expert will leave at
4 the government facility any equipment, including hard drives, which contain child
5 pornography contraband that is identified during forensic evaluation.

6 8. For the purpose of trial, the United States will make available a digital
7 copy of any government trial exhibit that contains contraband, which will be kept
8 in the custody and control of the case agent. Upon reasonable notice by the
9 defense, the case agent will also maintain for trial digital copies of any proposed
10 defense exhibit that contains contraband. If the defense team intends to offer,
11 publish, or otherwise utilize any government or defense exhibit contained on the
12 digital copy maintained by the case agent during trial, the case agent shall assist the
13 defense team in publishing or utilizing the exhibit that contains contraband upon
14 reasonable notification by the defense team.

15 9. This ORDER shall apply to any attorneys who subsequently become
16 counsel of record, along with their defense teams, without the need to renew or
17 alter the ORDER.

1 **IT IS SO ORDERED.** The Clerk's Office is directed to enter this Order
2 and provide copies to all counsel.

3 **DATED** April 17, 2025.
